

CONVERT YOUR EARTH DRILL INTO A HANDY STUMP PLANER

Effortlessly remove tree stumps with the Auger Torque Stump Planer. Quick and easy with minimal mess compared to traditional stump grinding makes this a must-have product for those working in ground preparation and woodland maintenance.

HUB OPTIONS

A range of different hub options.

STABILITY BARS

A balanced, even cut is achieved thanks to the built in stability bars.

HARDENED STEEL BLADES

Hardwearing, replaceable blades rotate, shaving the wood into a tidy pile.

HARDENED STEEL PILOT

The unique, replaceable pilot engages with the tree Stump, drawing the blades down to the surface of the stump.
