NORTON CLIPPER CT901HP POWER FLOAT

NORTON CLIPPER CT901 HP

The CT901 HP power float delivers outstanding performance for on-site finishing operations on wet concrete floors. At the same time, the heavy-duty steel construction provides this machine with long life and excellent reliability.

Driven by a robust Honda engine, this power float features a hydraulic pump system allowing the operator to easily set the pitch of the 900mm diameter blade.

FEATURES & BENEFITS

- Heavy duty jig welded steel frame provides the machine with robustness and high reliability
- Dead man handle helps to ensure user safety
- Blade safety guard rings protect the user from accidental injury whilst maintaining good visibility
- Hydraulically blades pitch control helps the operator achieve a perfect surface finish
- Foldable and height adjustable arm enables easy transport and storage of the machine

PRODUCT DATA

Model	CT901 HP
Item n°	70184602675
EAN 13 Code	5450248736394
Finishing blades included	310403132

Power source/Power kW (Hp)	Petrol / 4,8kW (6,5Hp)
Motor type	Honda GX200
Ø Blade (rotation clockwise)	900mm
Guard ring diameter	950mm
Distance to wall	25mm
Pitch control	Hydraulic
Dimensions (LxWxH)	1980 x 950 x 1060mm
Weight	81kg

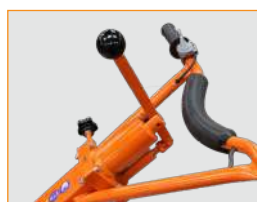

ROBUST AND RELIABLE

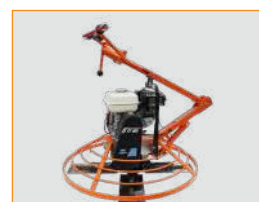

DEAD MAN HANDLE

SAFETY GUARD RINGS

HYDRAULIC BLADES
PITCH CONTROL

FOLDABLE AND HEIGHT
ADJUSTABLE ARM
